Share your experiences of dentistry during pregnancy

Healthwatch in Sussex (East Sussex, Brighton & Hove, West Sussex) want to hear about

We want to know:

- Which NHS dental services are being used during pregnancy and after birth?
- If Maternity Exemption Certificates are being promoted and used?
- How accessible NHS dental services are?

If this applies to you, please spare 10 minutes and complete Healthwatch in Sussex's short survey. We will share our findings with decision-makers to help develop and enhance services.

experiences of dentistry services during pregnancy or the first year after giving birth.
