

WHAT IS A PATIENT PARTICIPATION GROUP? (PPG)

- We are a group of registered Volunteer Patients at Sedlescombe House Surgery, who endeavour to provide a useful link between Patients and the Practice.

Scan the QR for the Surgeries Webb site and the PPG pages

- We hold regular Committee meetings and have an active E-mail (Virtual) group to explore suggestions and ideas identified by members of the Group, Patients, Surgery Staff and any external organisation that promotes good health and preventive care which is of benefit to the Practice, Patients and the wider community.

ARE YOU INTERESTED IN BECOMING A COMMITTEE OR A VIRTUAL MEMBER

- Do not be deterred at the thought of becoming a Committee member or a Virtual member, we are a very friendly group of patients and your input is important and would be welcomed.
- If you believe that in some way your meaningful involvement in our PPG would be of benefit to the Practice, Patients and Staff at this Surgery and the wider community if so:-

Please complete the contact details and return this leaflet to the Surgery.

Thank You.
